Chief this is the draft IAP. I did speak with Commisioner Batts and Bob today. Commissioner Batts has additional resources from the region IE as far as Montgomery County. It is a good thing that we augmented our resources.

I will wait to send the final copy of the IAP to all stakeholders once you make your comments or express your concern.

We will have a conference call at 1100 hrs if you want to participate.

Basically we have the following additional units:

- 6 SSU's
- 3 engines (2 BCFD ready reserves and 1 AA Cnty Engine)
- 3 Trucks (2 BCFD ready reserves and 1 AA Cnty truck)
- 4 county medic units (2 Baltimore Cnty and 2 AA Cnty)
- Kodiak boats and additional hazmat for decon
- BC and IMT
- additional DC
- Chief Wagner Also has all the DC's on standby - alert to reduce response times.
